

Alright imma list off a couple of names and if u remember if they have those boots lmk and dont say shit to anyone else

Okay but please bro don't get me involved cuz I deadass was not in that shit

(b)(6)

Ik you were over by the van with
(b)(6) and (b)(6)

Yeah, I don't think (b)(6) has danners but I'm not 100% sure

(b)(6)

Has your unit contacted you yet

Yes headquarters Marine Corps is looking for the other marines in the photo ive been drilling with them all weekend since Thursday

Who's names have they bought up

They whole class

They have pictures of the class photos
